

Welcome to Study Abroad with the Center for Intercultural & International Programs

Study Abroad Center for Intercultural & International Programs

*Study Abroad
Center for Intercultural & International Programs*

- Xavier University Mission Statement – ***"To contribute to the promotion of a more just and humane society by preparing its students to assume roles of leadership and service in a global society."***

Study Abroad Center for Intercultural & International Programs

- Experiencing the world – whether through study abroad programs, internships, or service learning work – has become a critical component of higher education.

*Study Abroad
Center for Intercultural & International Programs*

- “The most important thing that schools can do is to make people aware that understanding the world is very much part of the requirement of being an educated person.”

Fareed Zakaria,

Editor of Newsweek

- “The lessons I learned about human interactions, cultural differences, overcoming barriers, and adapting to new environments is priceless...I am so grateful for the opportunity to strengthen my worldview. Studying abroad was so much fun and I will recall my memories of Argentina forever!”

***Alexis Ellis
Xavier Student
Argentina, Fall 2011***
